YEARBOOK STAFF
PRESENTS . . .
THE 1984 CAMPUS

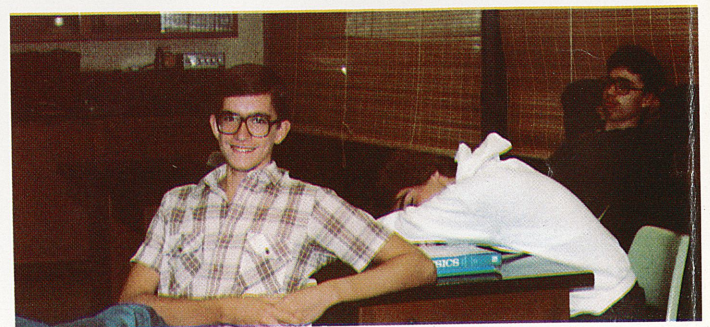

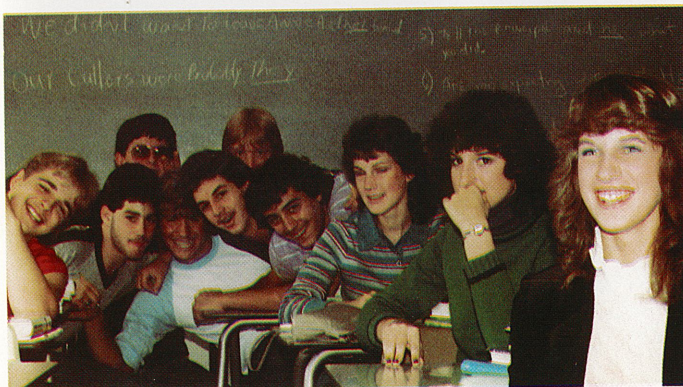

A difficult decision.

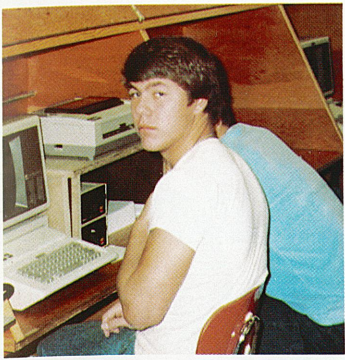

Second childhood?

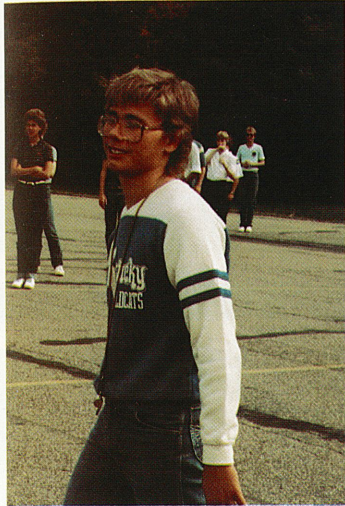

Arnie II?

Is physics really that exhausting?!

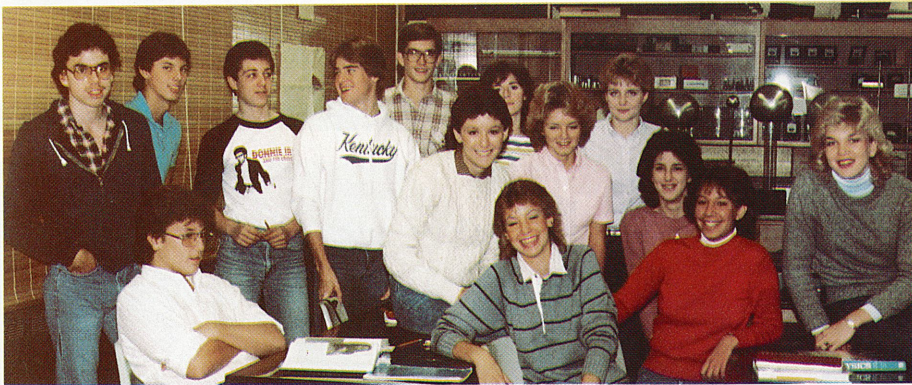

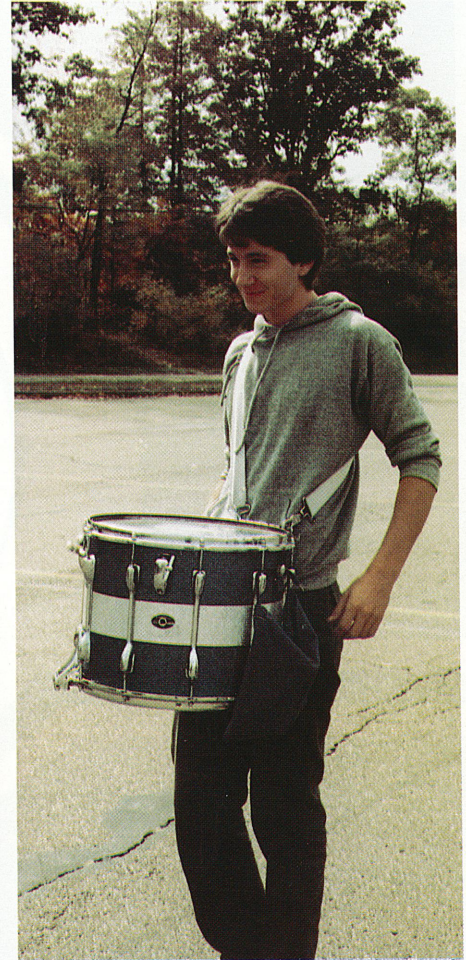

I'm so confused!

I'm cool!

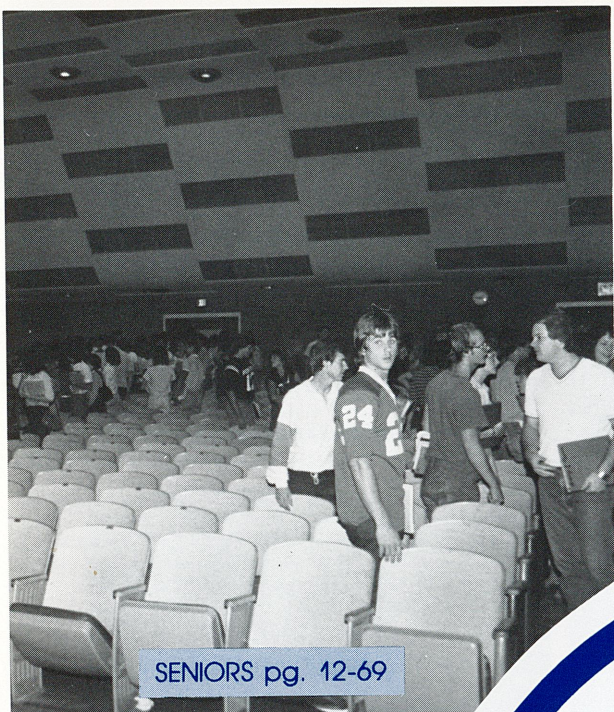

Just you and I

Smile girls! Cheeze!

FUN TIMES AT KISKI

"FRIENDS"

The day we met, so long ago
Neither of us knew that
a special friendship
began to grow.
From that day forth we
became friends.
Helping each other in
anyway we could
Sharing laughs along
with tears
We soon became the
very best of friends

I never will forget all
those special memo-
ries my friend, but if in
life we choose differ-
ent roads to travel and
different goals to
reach, Always take
with you my best wish-
es in your heart and no
matter when or where,
call, and I'll be there
because we are
friends now and al-
ways.

SPECIAL STAFF LEADERS

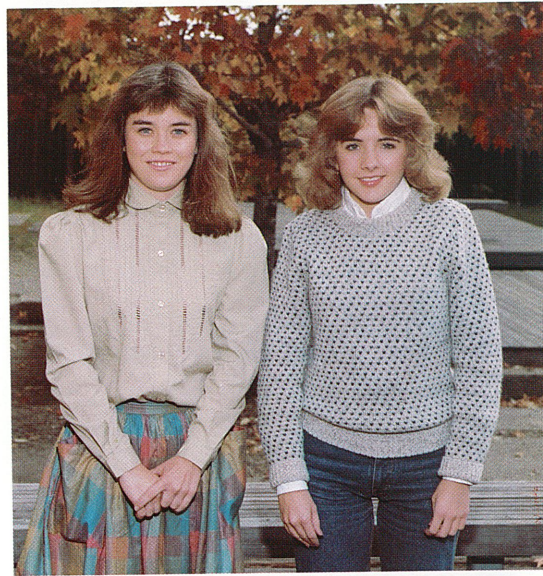

The 1984 Kiski Area Yearbook was created by a combined effort of several students, divided into four different staffs. Each with specific purposes and goals.

The dedication contributed by each of the individuals working together as a team, the hard work, and of course the fun of learning just how to put it all together helped to make the yearbook a success.

With the guidance and support of Mrs. Wright, we have gained a special pride in ourselves, just knowing that we have done our very best to produce this outstanding yearbook.

The entire year was spent selling ads, making money, snapping pictures, writing articles, creating layouts, and meeting deadlines. It seems all our work paid off, when each student turns through the pages of memories put together by our staffs. This is what makes our Campus Staff Yearbook what it is today a true success.

On Friday night, September 30, 1983, the senior class proudly announced the name of the 1983-84 Homecoming Queen. The court was presented to the fans at Davis Field during the pre-game show. After the girls and their escorts crossed the field, everyone became silent, as they waited to hear the name of the lucky girl; and the winner is . . . Sherri Cook!

FAREWELL CLASS OF 1984

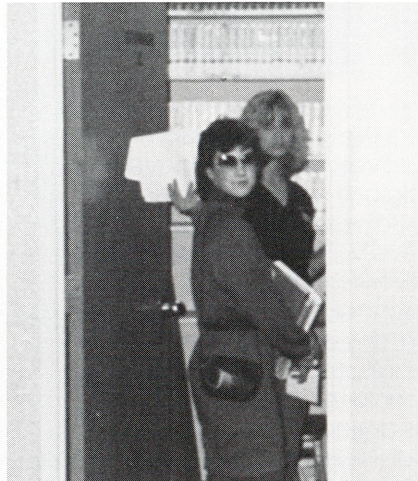

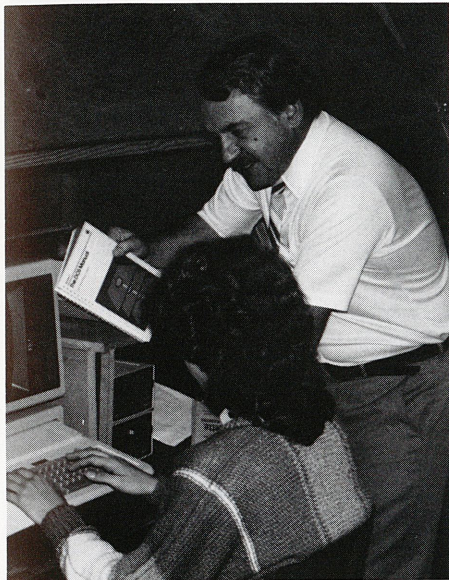

THANKS FOR THE TIMES

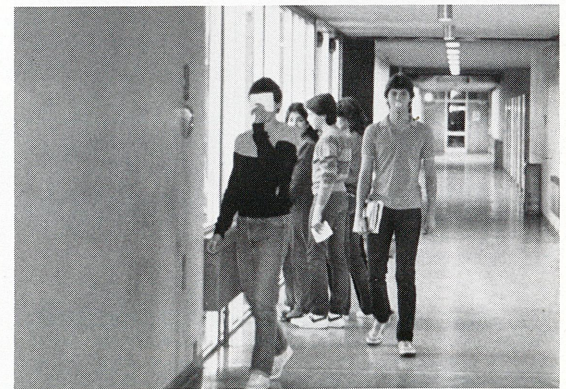

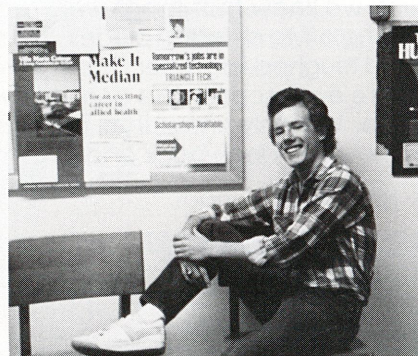

THAT YOU'VE GIVEN ME

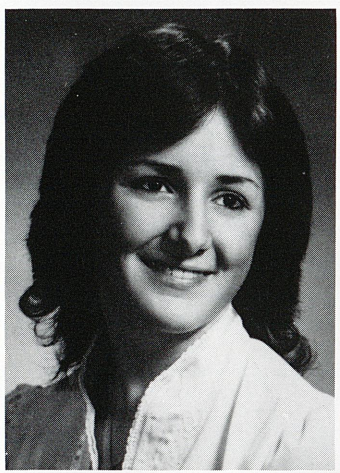

Wait! I think I blinked.

"F=ma"

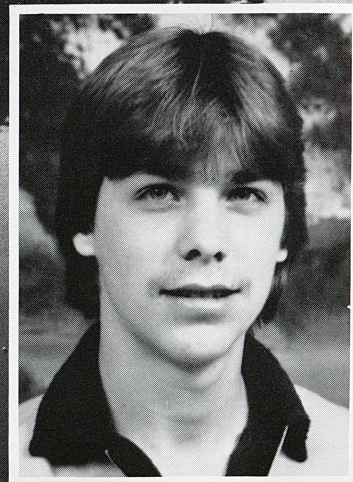

As the door closes on yet another year, the Class of 1984 is filled with mixed emotions. We now are looking back on 12 of the best years of our lives, years that never can be replaced. Now with graduation upon us, we are filled with a sense of nostalgia. It seems as though just yesterday we entered kindergarten clinging desperately to our mother's hand. So much has happened in our lives since then. Each of us has our own special memories of those years that we will treasure forever. It seems as though the past three years have literally flown by us. How could we ever forget the first day of our sophomore year? We didn't think we'd ever survive getting up so early for school. Everything was such a change after the atmosphere of the junior highs. There seemed to be sooo many people in such a big place. We just didn't feel like we fit in, however, that feeling soon passed as we adjusted to the school. One valuable lesson we did learn is that you *never* take directions from a junior or senior or you will end up even more lost! By the start of our junior year we were just as much a part of Kiski as anyone else. Finally we had someone else to pick on. When we received our class rings we became official KA'ers and we knew that nothing could stop us. Even though those years were great, nothing could compare to our senior year. Everything seemed to be happening so fast. When we received our caps and gowns, we knew that things were drawing to a close. We began to think about the future. Now everyone is heading off to different places. We never dreamed of doing things without them. We shared the good times and laughed together. They gave us a shoulder to cry on when things weren't going right. This makes the future even scarier. We don't know what life holds for us, whether it is college, work, marriage, or anything else. We only know that the past years have prepared us for whatever we come up against. Years from now we'll look back and say with pride that we were the Kiski Area Class of 1984.

Joanne Jordan

I am always here
to understand you.
I am always here
to laugh with you.
I am always here
to cry with you.
I am always here
to talk with you.
I am always here
to think with you.
I am always here
to plan with you.
Even though we
might not always
be together,
Please know that
I am always
here to
love
you.

SUPER SOPHOMORES

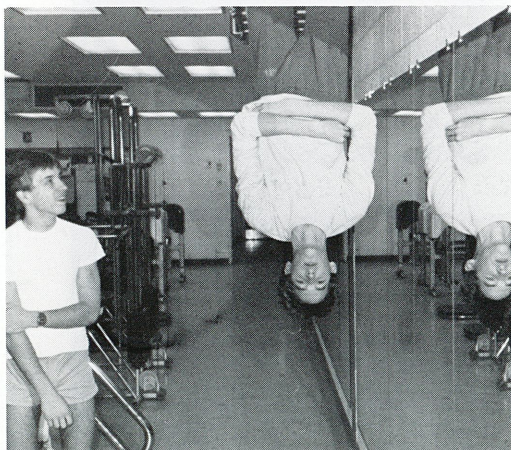

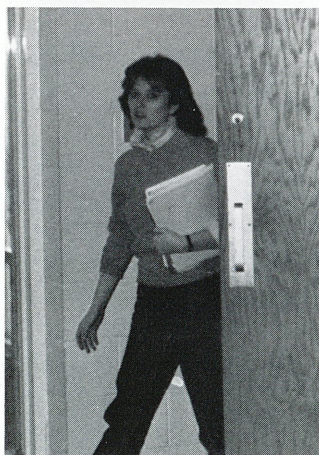

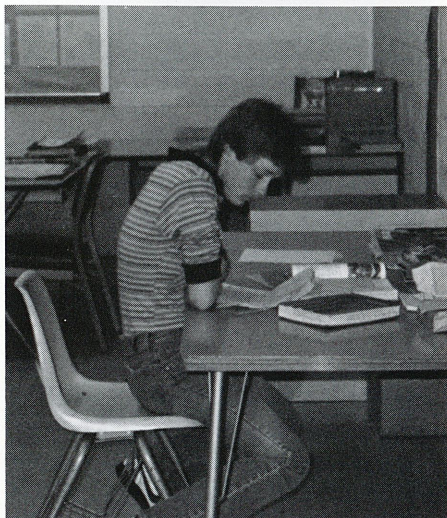

THE BEST OF TIMES

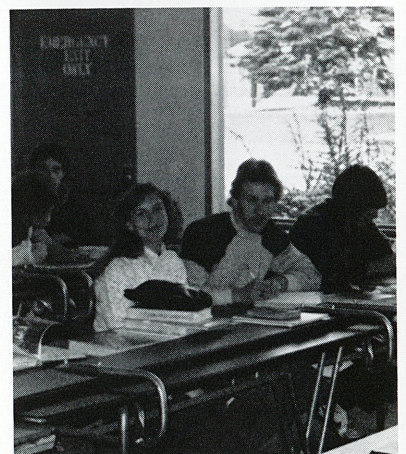

Locked-in memories.

Hands off!

Just hangin' around . . .

JUNIOR AND SOPHOMORE OFFICERS

TOP: K. Lengauer-Treasurer, T. Answine-President. BOTTOM: L. Arbuckle-Secretary, C. Jastremski-Vice President.

When we opened the doors September 7th, it was the beginning of a new chapter in our lives. The first event on our list of memories was the arrival of our class rings. As the excitement wore off, we realized we had to hit the books. We also had to prepare for our PSAT's, SAT's and other tests in the long year ahead of us. After we achieved most of our academic goals we began looking forward to the excitement of our first prom.

Our goals now are set toward our senior year in hopes that it will be even better than our last.

Now as our Junior year comes to a close, we the class of '85, can look back upon the year and remember all the great memories and special times. Now we will begin looking towards the future.

Our first year at the Big K was definitely one of new experiences! It seems that we had just gotten used to the ways of our junior highs, when all of a sudden, things took a drastic change. We no longer had the comfort of familiarity. No doubt many of us remember the endless butterflies in our stomachs as our buses entered the school driveway. When we walked through the doors, they multiplied by the thousands! Many times we expected to turn around and see our favorite teacher or the friendly classrooms of our junior high. Then sadly we realized that they weren't here. There were only long halls, many classrooms and an endless number of unfamiliar faces. As the days went on, however, the halls seemed to shorten and the faces seemed friendlier. Finally we felt we belonged here. Of course the year didn't go by without our learning several *valuable* lessons. One-never ask an upperclassmen for directions. No doubt his help will get you even more lost! Also we found out that too many activities and too little time just aren't a good combination! Once we had adjusted to life here these major problems got fewer and fewer. Now we are eagerly awaiting the next two years. However, we will never forget the many memories of our Sophomore year at Kiski such as; the Sophomore Dance and our first high school pep assemblies. We know that the hard part is past us, and we are ready for the fun that lies ahead.

MR. TRUNZO
TEACHER OF THE YEAR

Every year the Kiwanis Club of Vandergrift sponsors an award for a teacher who exhibits outstanding teaching abilities, a great concern for students and a friendly personality. The senior class elects a teacher from the senior high, junior high, and elementary levels. The class of 1983 chose Mr. James Trunzo for their teacher of the year.

Mr. Trunzo has taught at Kiski for 13 years. Each year his concern for Kiski's students seems to grow. He is a person students trust and count on.

Kiski Area Bases Are Loaded

This year the Kiski Area Baseball Team had its share of disappointments. After going into the season with good expectations, we suffered some difficulties which slowed us down. Although our new coach, Mr. Guinta, strived to make our season a winning one, we were plagued with various injuries. This caused us to lose some very close games. We did, however, have some fine performances from our team mates. At the end of the season, Dave Alsippi, was named most valuable player. Next year we look forward to a winning season and hope to have good luck with our returning players.

LET'S STRIKE UP A WIN

This year's team went into the season with our usual roster of fresh newcomers, and a positive attitude that we would come up with a winning season. With the help of Mr. Guinta, and our eager team members, we started spring practice with high expectations for a good season. We worked toward gaining an incentive to win. We started our season by working to achieve our main goal, but we also wanted to have a good time doing it. Due to unexpected setbacks and difficulties, we didn't quite live up to our goals. Although we had nothing to be ashamed of because we did strive to do our best. Our team ended with a little better than an average season with six wins and four losses. Next year as always, we will have to let go of our hard working team members to the varsity squad, but we will also have many new faces to look forward to.

The Kiski Area Golf team was off to a start of definite ups and downs during the 1983 season. During our seven exhibition matches we alternately won and lost. But, once section play began our team members got down to business and put our minds to achieving the good season we had expected. Although losing our first section match Mr. Ves. got us into the winning spirit and we had some strong wins through mid-season. We had a close year with most of our losses only by one point.

Unfortunately we didn't make it to the play-offs but we made it a good year trying and finishing with eight wins and six losses.

Tennis Team Goes Through Rebuilding Season.

The 1983 season was a trying time for the Tennis Team. Even with the help of our coach, Lou Santia, and the dedication of the team members, we were unable to do as well as we had hoped. Headed by team captains, Todd McDermott and Dana Lombardi, we strived to place ourselves at the top of our section. This, however, seemed close to impossible as the season progressed.

This coming year, however, shows a great deal of promise for the Tennis team. With all of the returning lettermen and a section change, we hope to surprise everyone by pushing ourselves into the top position.

VOLLEYBALL TEAM FINDS WAY TO SEMI-FINALS

Our girls volleyball team finished 2nd in our section with 8 wins and 2 losses. Both losses were to our long time rival, Plum. We girls had to work hard due to the fact that three of our starters were out with an injury or

illness. Our second place qualified us for the quarter finals, which we won, advancing us to semi-finals. At semi-finals we lost to Baldwin and North Allegheny which ended our goal to qualify for states.

Softball Swingers.

Our girl's softball team put forth a great deal of effort and ability this season. It was very challenging for us to adjust to the coaching of Mr. Grimm compared to the coaching of Mr. Nicholas. However, Coach Grimm inspired us to reach the highest goals we could achieve. Even though we worked very hard, this year was not very successful-but we kept our spirits up. We ended our season with 7 wins and 11 losses. The season definitely gave the team a lot of experience. Next year we plan to strive even harder to reach higher goals so that we can have a winning season.

High Hopes For Next Year

This year the cross country team finished the season with a record of 3 wins, and 10 losses. The team is a young team, with Doug Albright as its only senior. The rest of the team is mostly juniors, some sophomores and members in junior high.

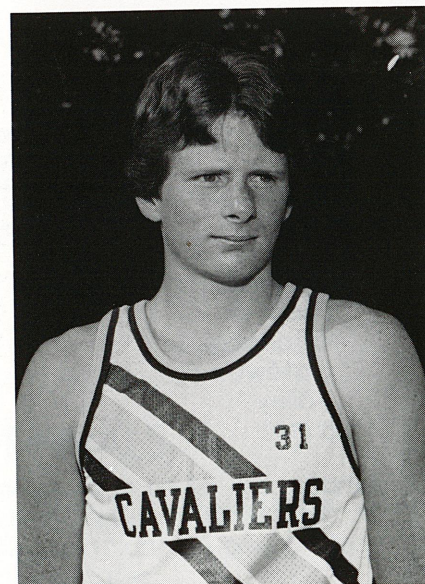

The team's co-captains, Kevin Kropp and Steve Uhing, are two outstanding juniors who both went to the W.P.I.A.L. Qualifiers. The team is made up of some great long-distance runners.

Although their season wasn't a winning one, the cross country team and its coach, Mr. Hauser enjoyed it. Both are looking forward to next year which promises to be one of their best ever.

FLYING FEET

Our track team jumped full force into the season at the beginning of March. Not even the wet weather kept us down. Everyone, sprinters and vaulters alike, gave their all at practices. We wanted to be ready for the tough spring season ahead. Finally, all our hard work and practice paid off. Our senior veterans led the team to a final record of 5 wins and 4 losses. The underclassmen on the team showed great promise for the future years. Hopefully, we will have an even better season in '84.

FOOTBALL "83"

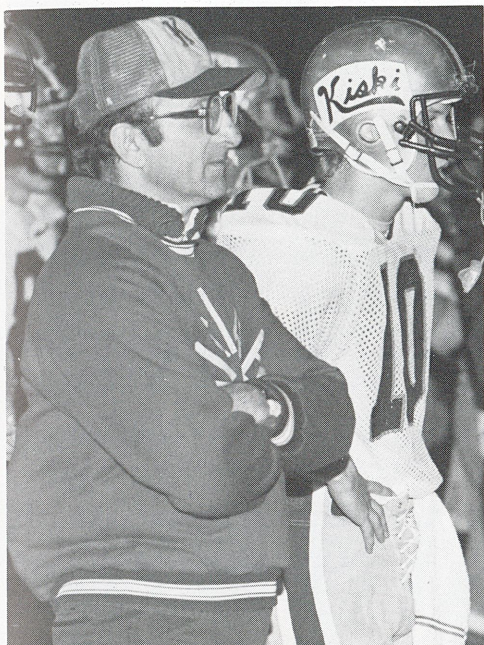

The season started way back in the hot days of August when we began our conditioning program to get ready for the tough schedule ahead of us.

The team was very young as well as inexperienced. We all knew we had a lot of work to do. At camp, (Edinboro College), the whole team became "one", through "3" a day practices and a lot of hard work for a week!

We opened up our season with 3 top quality football teams, and the record showed it as we were 0-3 in exhibition play! As we opened our conference play, the team got on track by winning the first two games. Then, we had a disappointing tie with Greensburg. By this time, we were in 1st place in section AAAA! Our next two games, (Norwin and Highlands), we played our hearts out, but the breaks went to our opponents.

Our last two games of conference play were against two of the best teams in the W.P.I.A.L. The team had a mental breakdown from the last two heartbreaking losses against Norwin and Highlands. We just couldn't get our game plan to go in our favor.

Our record was 2-7-1, but if you saw us play, we were "a lot" better than our record! In our hearts we were 10-0.

Mr. Morea and Bill Zimmerman look on.

Bottom Row: J. Knell, M. Lanning, B. Zidek, B. Zimmerman, Middle Row: K. Sebastian, S. Slagle, D. Raab, D. Klanica Top Row: M. Kupec, S. Jackson, D. Trubits, C. Sutherland, C. Lombardi

Girls Lead With Spirit

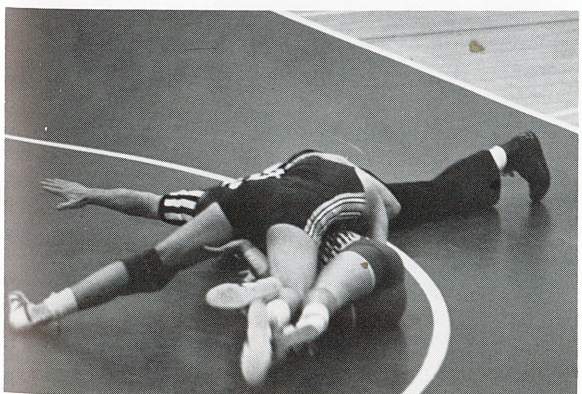

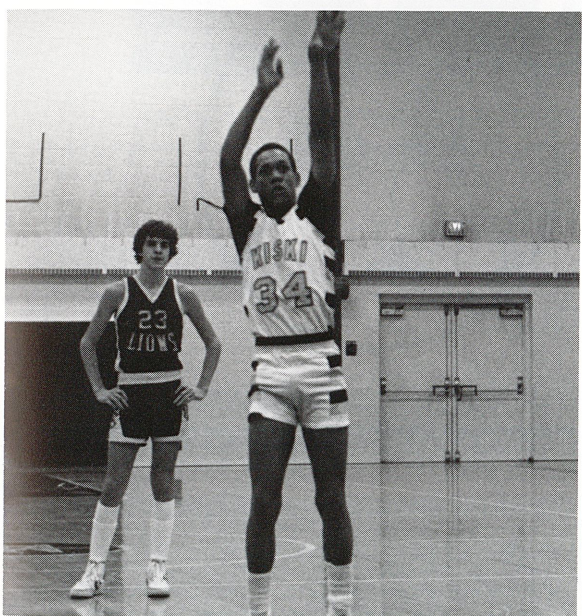

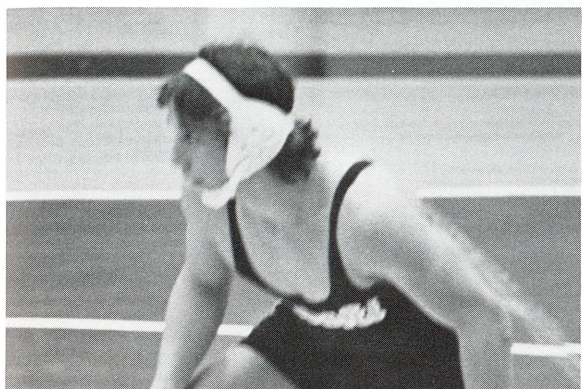

The 1983-1984 cheerleading squad was kept busy this year. It started with the seemingly endless summer practices that prepared us for the upcoming football season. At the close of a tough season, the pace picked up even more. We had to faithfully cheer on a promising basketball team. With numerous practices and games twice a week we barely had time for anything else! Even though the year had its rough moments everything seemed to work out just right. Now we can look back with pride and say that we were the spirit of the "Big K!"

MAT RATS

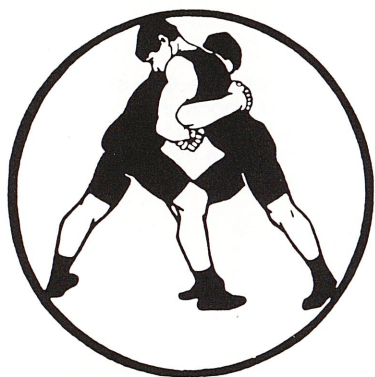

The '83-'84 Kiski Area Wrestling team was a hard working team. They spent long hours conditioning, lifting weights, and learning new techniques, to help rebuild their team. Coach Moorhead directed the team with his rebuilding program, and the season was not a disappointing one.

After school there could always be found a few boys jumping rope or running in the pool area-all to lose a few pounds. The wrestlers of '83-'84 know and possess the feelings of determination and desire.

The team was made up of 22 members, of which, well over half were sophomores. The underclassmen learned a lot this year. With 11 starters returning next year, the Cavaliers are expecting bigger things and much improvement. They will be back in the race soon.

BASKETBALL BOUNCES HIGH

When you say Kiski Area basketball, people listen. We started the year with high hopes and several goals. One of our many goals was to fill the gymnasium and we did just that with a record breaking crowd of 1,000 screaming fans. Another of our goals was to break the Kiski Area record of 17 wins. Of course the one dream we all had in mind was to be number one! The whole team pulled together to work toward our goals. All of that teamwork paid-off. The support of the student body was very helpful, because it gave us the confidence that we needed to make it to the top. This year's team has been spectacular in our performance. Next year, four of the starting players will be back to lay the groundwork for another winning season. In our minds, though, this year can't be beat.

Girls Basketball Kiski Cavalettes

Hard work and the desire to play describes the attitude of the 1983-84 basketball team. Giving 1 hundred percent all of the time, was stressed by coach Thomas Pipkins. Led by Nancy Painter and Vicky Krug the team started out with high expectations. Painter hit her quota of 1 thousand points at the beginning of the season. Guards Raschiatore, Doverspike, and May have had a tough job, but have come a long way. The team work and dedication of Leap, Slicker, and Hamilton also aided the team in making the season a worthwhile one.

FAST BREAK

This year, the Junior Varsity enjoyed a spectacular season. Their coach, Mr. Ceraso, pushed them to their limit, but their hard work and practice paid off because they had a great season. The JV's also had great attendance which spurred them on to have one of their best seasons ever.

Next year the Varsity team will have some more very good players, thanks to this years JV's.

PRACTICE MAKES PERFECT

Led by Coach Anthony Cox, the JV's were under way for a learning experience. Because most of the players were inexperienced, learning the fundamentals of the game was a real challenge. Coach Cox was determined to instill a positive attitude. With the leadership of Alicia Bisaha and Danielle Lamari the season was underway. "They've come a long way from day one and have been working harder ever since."

A "STROKE" ABOVE THE REST

Both the boys and girls swim team did very well this year. We started the season on October 10 with long, hard workouts. While the divers were perfecting their dives, the swimmers were quite busy swimming about 6,000 yards a night which is around 3 miles! Not only did we practice every night after school, but also Saturday mornings and the majority of the Christmas holidays. All the long hours of dedication payed off. We had more people qualify for W.P.I.A.L's than any other year and a lot of school records were broken this year making the best combined record in the school's history.

STEPPING OUT WITH STYLE

Summer vacation began and with it came colorguard practices. We were preparing for an early August performance at the Meadows Race Track, which proved to be very successful.

Following this was band camp and the long, hot hours that came with it. Everyday for the last two weeks of August, we practiced and practiced, for the upcoming football season and our first parade of the year at Kennywood Park.

The memories we made make all the work seem worthwhile. There was the first place trophy that we, along with the band, won in the Kaufman's Christmas Parade. And of course, we will never forget our performance at the opening game of the Maulers. Our season, finally, came to a close with the trip to Ocean City. This has been one of the greatest seasons, and we will always cherish the fine memories.

MAJORETTES

TWIRLING TO THE BEAT

Seniors: V. Bastecki, A. Gearhart, G. Hales

The majorette season began with long Monday night band practices in July. There were routines to be learned and formations to be prepared. We didn't have much time before we had to perform in front of the crowds.

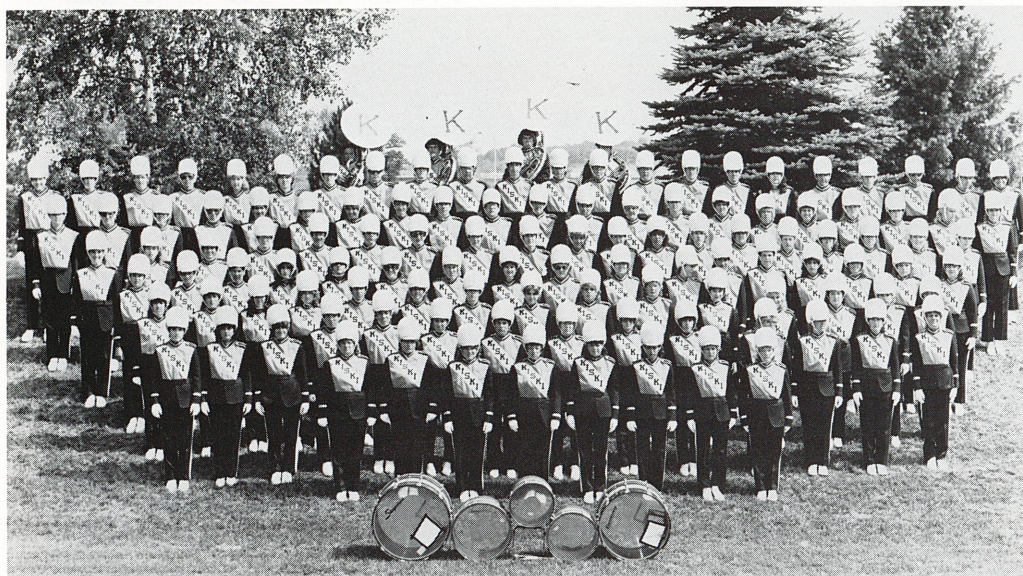

During the last two weeks of August we, along with the band and colorguard, started band camp. More hours were spent over routines. Everything had to be perfect for that first performance. When the day finally came, we were nervous and excited at the same time. No one was sure that everything would go exactly right.

When we heard that first note from the band, nothing else mattered. We put on our brightest smiles and started to march to the beat. From that time on, it appeared to be a promising season and we weren't going to let anything stop us.

YEAR OF OPPORTUNITY

During summer vacation while some of you were splashing around the pool, we, the members of the Cavalier Marching Band, were taking part in our annual band camp. We gathered at the high school to learn endless drills and memorize countless pieces of music. At times we found ourselves wondering, "Was this worth it?" The hard work paid off when it came time for football season, parades and competitions. We finished our '83 season with a first place in the Annual Kaufman's Christmas Parade in Pittsburgh. We returned to Pittsburgh in early spring to perform at halftime in the Pittsburgh Maulers opening game at Three Rivers Stadium! We were very honored to be invited back to play in Pittsburgh.

The biggest highlight of our year was our trip to Ocean City. No doubt we will remember it for a long time. Many years from now we can look back and smile as we remember all the memories, and say with pride "We were the Kiski Area Marching Band."

PERFECT HARMONY

Marching Band ended and the woes of Concert Band began. This year started rather slowly because of Mr. Botti's leaving, but after a few weeks everything seemed to be back to normal. It was hard to adjust to a new instructor. Mr. Koter seemed to put everyone's mind at ease. Soon we set out to work and struggle to be the best Concert Band at Kiski. Along with the hard work we also managed to have some fun. At times it seemed that hard work would never get us anywhere, but Mr. Koter would ease our minds by telling us that we were doing a fine job. Finally, our hard work paid off, and we held our annual concert at Kiski. Everyone seemed pleased with our performance and were happy that this year turned out to be a success.

HOOKED ON CLASSICS

This year's symphonic band was one of the best to ever come out of the Kiski Area music department. Although the music looked tough in the beginning, things finally came together. Mr. L.'s selection of music provided a splendid showcase for the talent of each section. We were highly praised for our performances at I.U.P. and Ocean City, Maryland. The year proved to be very rewarding.

THE BEST!

Being some of the better musicians in the school we were chosen to represent Kiski at various honors bands. Alli-Kiski Honors Band was held at Springdale this year and we were chosen for it, on the basis of auditions. Recommendations from our director were required in order to be selected for County Band and District Orchestra. Regional Band members were then selected from those of us who participated in District Band. We came in contact with many fellow musicians and the experience was very worthwhile.

ALL THAT JAZZ

This year was extremely busy for the members of the Kiski Area Stage Band and Mr. Lamendola. In early fall, after auditions were over and the band was chosen, we began rehearsing. There were plenty of opportunities to practice; activity periods, after school and evenings in order to perfect our sound.

When things finally fell into place, we were ready for our first performance which took place in late February. There were many performances and competitions, but our main competitions were held in Lexington, Kentucky and Ocean City, Maryland.

This year was a peak year for the stage band because a large percentage of our members were seniors. We had a fantastic sound and were one of the best Kiski Stage Bands ever. There were a lot of great times with a lot of great friends.

We would like to thank Mr. Lamendola and Mr. Koter for all their encouragement and help. We would also like to thank all of those who supported us by buying our M&M's.

STRIKE UP THE SPIRIT

As members of the Pep Band, we were responsible for the spirited music that echoed through the gym during pep assemblies and basketball games. Although our main objective was to excite the student body with our lively fight songs, we had just as much fun cheering along with them. The tremendous enthusiasm that was shown this year made our job very easy and enjoyable . . .

A SINGING EXPERIENCE

This year was a very busy year for the Kiski Area Concert Choir. Soon after school started, we began work for our annual christmas concert. We worked very hard, with some activity period and after school rehearsals. All of our hard work paid off, because the Christmas Concert went very well. As is a tradition at Kiski, we sang Christmas Carols on the last day of school before Christmas vacation.

When we got back from Christmas vacation, we got right back to work. We were all so excited when we were asked to do the pre-game show at the first Pittsburgh Maulers game. Singing at Three Rivers Stadium was great, and we all enjoyed the experience . . . Next, we prepared for the Pennsylvania Music Educator's Association Convention in March. Soon after that was our spring concert. This concert turned out well also. It was not only a busy year but a great one for the Concert Choir!

VOICES UNITED

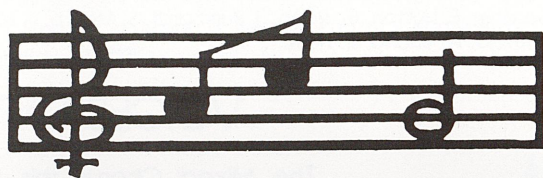

The Mixed Chorus this year was as years past, made up of some very talented sophomores. Throughout the year we prepared for our concerts by giving up activity period and having after school rehearsals. Our hard work paid off for the Christmas Concert as we sang a cantata entitled "The Celebration of Hope". In March we went with the Concert Choir to sing at the opening Maulers game. At the spring concert we gave a final farewell performance.

Continuously through the year Mr. McClelland teaches us about intervals, diction and other factors that go into singing. This prepares us to become members of the Concert Choir, thanks to a lot of good people and a superb effort we were all proud to be a part of the Mixed Chorus.

THE VOICES OF KISKI

At the beginning of the year, the glee clubs started working for the performances that lay ahead. The Men's Glee Club is comprised of the boys from the Concert Choir and Mixed Chorus and the Women's Glee Club is made up of the girls from these groups. All of the members worked hard in order to prepare songs for the Christmas and Spring Concerts. Being in the Glee Club gives the singers an opportunity to become acquainted with other styles and feelings of music. Each is just another learning experience to improve the talent and widen the capabilities of each of the members.

THE CHOSEN ONES

This year 13 Concert Choir members were chosen to participate in the Westmoreland County Chorus at Penn Trafford High School. We started to practice our music weeks before we were scheduled to go to Penn Trafford. We practiced from nine o'clock until three-thirty for two days before the concert, but it wasn't all hard work. We made new friends and experienced many good memories that will last forever.

For five of these thirteen choir members the excitement didn't stop. They were selected for District Chorus, which took place at Shaler High School. They had three busy days of practice and two concerts to perform. All the hard work paid off in the end.

DO IT THROUGH J.A.

Junior Achievement, better known as J.A. is a very experiential activity to participate in. It shows us how to deal with the real business world. Starting the J.A. companies depends a lot on our advisors because they let us know the rights and wrongs. After that, we are on our own. We sell stock to get our capital built up. We offer services and products for sale. In the long run J.A. is not all work. There is also fun involved. We have the chance to meet new friends, develop leadership talents, gain insights into many careers and we also have a chance to earn scholarships for further education.

J.A. has four companies, three production companies and one bank. The Achievers at the Kiski Center are recruited from Kiski Area, Apollo Ridge, Lenape, Leechburg and Freeport.

ON THE SPOTLIGHT

The Drama Club consists of students who are interested in acting and drama. This year it involves ambitious students who want to accomplish many goals. As a club, we got off to a good start under the guidance of Miss Wichrowski. We elected our officers and began "fund raisers." We hope to succeed with our fund raising because we are looking forward to a year filled with special events. The Drama Club wishes to visit New York and its theaters to learn more about "acting." Being a member of the Drama Club, was certainly a rewarding experience.

Students Take Charge

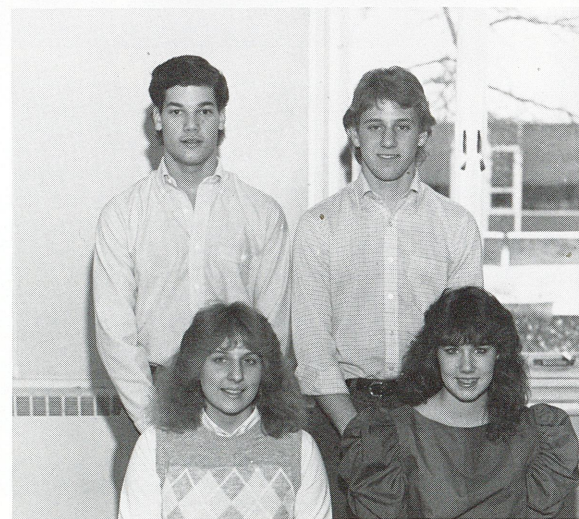

As members of the Student Council we work for the student body. On September 14th, nominations were made in each homeroom for president and secretary. The next day each homeroom voted for their representatives. Once the representatives were picked we began to meet the first Monday of every month. During our meetings we would discuss certain problems occurring in school. We would also make plans for the activities we would sponsor. Many of us joined committees such as: singing telegrams, special events, carnations, and computer dating. One of our many activities was hosting the annual student council convention in which student council officers from neighboring schools came to Kiski. While they were here we gave them tours of the high school, and discussed each others schools.

Thanks to Mr. Israel and our officers we were able to make this a very productive and extremely exciting year for each of us.

MAKING THE NEWS

As members of Mr. Iagnema's journalism class, we learned the intricate production process of a newspaper.

Journalism is a one semester class, with each semester class producing two issues of the Kiskizette.

Throughout the production pro-

cess, we learned how to conduct interviews, write articles from a journalistic viewpoint, take and develop pictures, and do the layout pages. This year not only did the Kiskizette include school news, it covered community events, as well. Each issue has an editor-in-chief with

separate page editors. Managers take care of jobs such as: circulation, advertising, and business. Because Mr. Iagnema had to leave, we were very grateful that Mr. Meighan could take over the second semester.

SUMMING IT ALL UP

At the end of last year we began tryouts for the league. By the second month of school the team was established and divided into two separate teams, Team A and Team B, with Eric Bracken as captain. We began to practice every Wednesday during activity period. Our competitions were with four other schools; Franklin Regional, Plum, Gateway, and Penn Trafford. The first competition was in November at Plum. Although we didn't do as well as we had hoped to, we still had a chance to make a comeback at Franklin Regional in December, Plum, again, in January, and Gateway in March. The first of February our meet was at Kiski, so we had a chance to host the other teams here. Our season soon drew to an end, but we continued to practice for next year. The year may not have been as successful as we had hoped, but we learned a lot about mathematics and had fun with our friends at the same time.

MRS' LOVE'S MUCHACHOS

Under the guidance of Mrs. Love, our members of the Spanish Club were very busy during the year. We were constantly working on projects. We work on issues of the Spanish Newspaper which was passed out to all the Spanish Classes. Besides working on the Spanish Newspaper, we held a bake sale and an International Coffee House to raise money for our trip. This year on our trip to Pitts-we went to see a rock group called "Kantares." After the show we went to Tequila Junction to eat delicious Mexican food.

With all these projects during the course of the year, we certainly kept busy!

The French Club, which consists of approximately 30 members this year, is sponsored by Mrs. Baun. In order to become a member and participate in the club's activities, a student must be studying French. The French Club involves those who are interested in French and want to learn even more. The French Club has many activities planned for this year. One of these is the International Day, which also involves the Spanish Club. Over all, the French Club is basically for those students who want to enhance their knowledge of the "Romance Language" - French.

Throughout the year, we participated in the Super Bowl of Problem Solving at Brachier High School for the first time. Some of our members also got to participate at the Chemistry Olympics, where awards were awarded to some.

STUDENT SECRETARIES

GOPHERS

Do you know who runs the most at Kiski? No we're not the track team or the football team, we're not even the cross country. We're student secretaries.

We roam the hallways in search of teachers and students who sometimes seem impossible to find. We deliver bulletins, mail and messages.

Some of us are secretaries for the teachers. We type tests and worksheets and we also help correct the tests.

Being a student secretary gives us an opportunity to find out how an office is operated. This will hopefully help us when we get out into the business world.

Student Librarians are those hard-working people that help Mr. Kulas keep the library in order. Sounds easy enough, right? Well, it's not quite that simple. These people are responsible for all kinds of things. Besides checking out your books, and returning them to the shelves (in the right place!), they must also run passes, put magazines on the shelves, bind magazines, type up cards, and sort books for all of the junior highs and elementary schools of Kiski Area. they also get the magazines and microfilm you need, and often help with that dreaded research paper or report.

Quiet please.

THE LEADERS OF TOMORROW

The Future Business Leaders of America began the year with electing the various officers the club requires and collecting the five dollar dues from each member wishing to represent Kiski in the March competition between several different schools in the different business courses.

The club also held the annual Valentine's Day Cupcake Sale. Each member worked hard under the guidance of Ms. Manganello and Mrs. Orr to make sure the sale was a success.

F.B.L.A. members were also responsible for decorating the large window across from 418 for the different holidays.

"SEW" GOOD

Just who is the needlecraft club? We are a group of students interested in learning different types of stitchery. Under the guidance of Mrs. Wilson and Mrs. Daugherty, we learn various sewing techniques. Words such as "Counted Cross Stitch" are very common to us. The next time you walk past the Home economics room and you see a student busy sewing, don't worry, she didn't split her pants. She is just a member of the Needlecraft Club hard at work.

DOMESTIC ENGINEERS?

Many students want to learn practical skills. One place you can do this is in the Future Homemakers of America Club. Here, students learn various skills such as needlecraft and sewing. Such skills are taught by Mrs. Wilson and Mrs. Daugherty. We hope that someday we can put what we have learned to good use.

Serving Our Community

Tri-Hi-Y is an organization that is concerned with the needs of the school and community. At christmas we held our annual food drive, in conjunction with the Student Council. We collected lots of food that helped many needy people. Throughout the year we held many different service projects to better the world around us.

KEYED UP FOR SERVICE

In the Key Club we learn how to better serve our community in association with the Kiwanis Club of Vandergrift. We help to raise money for community benefits by participating in Kiwanis fund raising activities. Every month we attend the Kiwanis Club meeting at Carpentieri's. These meetings are held during lunchtime, and we are invited to eat with the Kiwanis. We, in the Key Club, are proud to be members and are glad to serve our community.

HONORABLE MENTION

The National Honor Society is made up of juniors and seniors who exhibit the four qualities of Leadership, Scholarship, Character, and Service. They are selected by teachers and counselors when they are juniors and seniors.

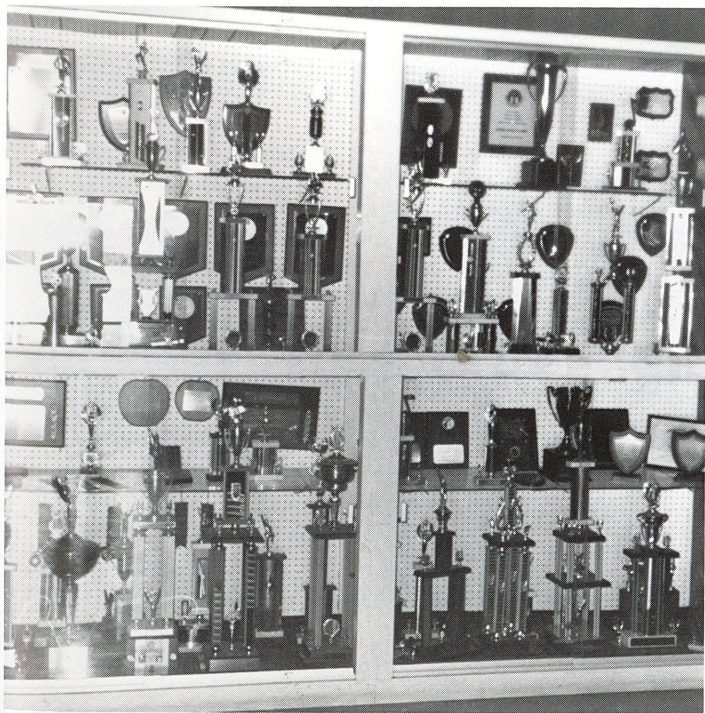

The National Honor Society has sponsored activities such as Coffee Houses, a rock concert and a hoagie sale. The money that we raised was used for induction of the new members in March. We also bought the banners which were worn at the graduation ceremonies.

Earning a varsity jacket can be more challenging than you think! Our varsity club is composed of very hard working athletes who put forward a lot of effort. To be a member, you must have earned a varsity letter in some kind of sport. Though the main purpose of our club is to raise money for our varsity jackets, we also have a lot of pride in what we do. We hope that all of our striving to be the best has set an example for the oncoming athletes of the "Big K".

WORDS OF WISDOM

Thought for the Day gave us all a chance to get on the morning announcements and give what we hoped was an inspiring thought. We were chosen by our guidance counselors and Mr. Israel, our sponsor.

Once every other month we spend our time looking through phrase books trying to find the appropriate saying. We often have difficulty finding thoughts for the holidays.

So the next time you are listening to the morning announcements and you hear someone say the thought for the day is . . . pay special attention because it could be something that will inspire your day.

The thought for the day is

"The things that count most in life are usually the things that cannot be counted."

"Happiness is like a butterfly, which, when pursued is always just beyond your grasp, but which if you sit down quietly, may alight upon you.

SAFETY COMES FIRST

Who cares whether you wear a seatbelt or drink and drive? The Youth Traffic Safety Council, that's who! We are a group of 14 students who are part of a statewide organization whose goal is to reduce the number of fatal and injury producing traffic accidents. With the help of our advisor, Mr. Woitas, we participated in various projects throughout the year. These included checking seatbelts in the school driveway, passing out candy canes at the annual Christmas telethon and presenting assemblies on the effects of alcohol to elementary students.

Even though these projects take up a great deal of time, they are very rewarding. Everyone of us has learned many valuable things in YTSC that will be helpful to us in the years to come. Above all we learned how to work together toward a common goal.

Under the direction of Mr. Duckworth and Mr. Stauffer, our members of the A.V. Club are very busy during the year. We are constantly on the go, delivering projectors, cassette players, and various other equipment to any teacher who needs them. Besides the daily activities during the week, we also participated in the annual "Christmas Telethon." The Kiski Area AV Club is a very valuable experience to a lot of us because we have gained in communications and broadcasting. This year has been very exciting and we would like to thank Mr. Duckworth and Mr. Stauffer for all of the fun we've had.

TELETHON

RINGING IN GOOD CHEER!

Once again this year, we presented the Kiski Valley with the Annual Christmas telethon, which has become an important part of the Valley's history for many years. This year the broadcast originated from the K-mart Dept. Store from December 19 through December 23.

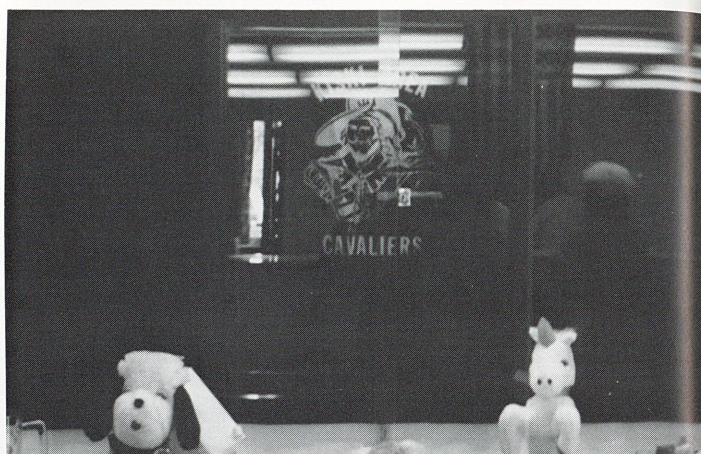

Greg Ahlquist and Jim Kapustik were Co-Chairman of this community-wide effort. They formed the Student Government, under Mike Zanolli, and the Audio-Visual Staff, under Dan Kupas, into the "Christmas Telethon Committee." With Mr. Stauffer, head sponsor, Miss Fedorek and Mr. Israel as faculty sponsors. As time drew near, Greg, Jim, and Mike involved the Elementary's and Junior High's, while Dan Kupas and the Audio-Visual Staff prepared for the spectacular week at K-mart. Contributions from local businesses assured that we would have something to give the donor for donations. The Audio-Visual Staff and Student Council assured adequate man power.

As the week of the telethon progressed appearances from the pirate Parrot on Tuesday and Uncle Alligator from Raxs in Lower Burrel on Wednesday. Donations of raffle prizes poured in, including a very special prize. It was Lionell Coleman, a cabbage Patch Doll, donated by McKee's Natural Food Centre. He raised \$828.50 for the cause. The telethon had overwhelming response from the community and raised for the AlleKiski Valley Food Bank, \$5903.79 and over 10,000 lbs. of food. This greatly helped the unemployed residents of our valley, this past winter.

The telethon was a lot of work but through it a lot of us gained the satisfaction that we helped someone less fortunate than ourselves. The telethon meant a lot to us, and with luck it can continue to help the valley and to bring the Christmas Spirit into the homes of the Kiski Valley.

We would like to thank our teachers that sponsored us, Mr. Stauffer, Mr. Israel, Miss Fedorek, and Mr. Meighan, the faculty, administration, Mr. Coffman, and especially Tim Polka, coordinator of the Food Bank. Without their help the telethon couldn't have been a success.

SENIOR CITIZEN DAY

STUDENT COUNCIL STAYS BUSY

This year the Student Council organized and sponsored many activities. Earlier this year in the fall, we sent a personalized apple to each of the teachers for open house. Christmas was a busy time for us. We sponsored the Christmas Door Decorating Contest in school, and hosted a Christmas dinner for senior citizens in our area. Our biggest project during the Christmas season was the food drive. This benefited the unemployed in the Alle-Kiski Valley. Around Valentine's Day we tried to play matchmaker. We held a carnation sale within the school. Then we sponsored a computerized dating service. In the spring, we organized a prom fashion show. Students modeled the latest fashions in prom gowns and tuxedos.

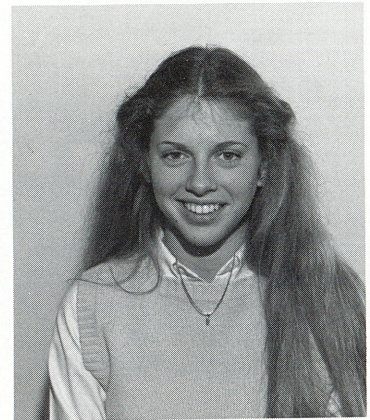

Stage Hands-Row 1: D. Rumbaugh, A. Spiering;
Row 2: D. Horrell, K. Wonders.

Technical-Row 1: L. Smith, T. Riggle, L. Voyten, B. Davies, C. Swank; Row 2: G. Rupert, G. Williams, S. Rosey, J. Brown, M. Zanolli.

Student Director-L. Skovran.

IN THE SPOTLIGHT

"George M" lives in Kiski Area Sr. High on December 7-10, the life of "George M" was recreated at KASH. "George M" was a musical performed by enthusiastic students. The music and lyrics were written by George Michael Cohan, himself! Dan Hughes, a junior, played the leading role of George M. Cohan. His sister, Josie Cohan, was portrayed by Tina Marie Leone, a junior. Dave Klanica, a senior, played George's supportive father, Jerry, and Lisa Lasasso, a junior, portrayed his loving mother, Nellie. George's first wife, Ethel Levey, was played by Jacqueline M. Poydence, a junior. His second wife, Agnes Nolan, was portrayed by Jessica McCaninch.

Since George M. Cohan was very patriotic and he loved to sing and dance, the musical consisted mainly of patriotic songs and snappy "tap" routines.

We, the cast, crew, orchestra, and directors, worked together to present "George M" as we did. It was a success and enjoyed by people of all ages. Although we were pressed for time in the preparation of this musical, "George M" merged into an inspiring show and left people singing as they exited the auditorium.

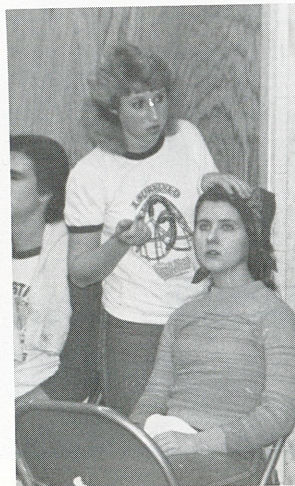

Supporting roles were played by the following: Chrissy Cates, Randy Cyphert, Sylvia Despotakis, Jacquie Fricke, Bryan Freehling, John Fulton, Chrissy Gilliland, Sherry Hunt, Rhonda Lattanzi, Erik Parks, Vince Scavo

Make-up & Costume-Row 1: L. Gasbarro, J. Poydence, J. Luffy; Row 2: J. Spizak, M. Starr, L. Mort, L. Pirhalla.

Set Crew-Bottom Row: S. Rosey, J. Brown, G. Rupert; Row 2: L. Slupek, C. Swank, L. Voyten, T. Riggle.

Publicity: Row 1: K. Scott, D. Yannacci, L. Clark, K. Campbell; Row 2: J. Moore, K. Anderson, T. Kovalick, T. Cignetti, D. Wehrle; Row 3: A. Fraley, T. Diebler, G. Guy, T. Davies, K. McHenry, D. Wehrle, C. Keibler, M. Wagner.

ON THE JOB TRAINING

Students attend the Northern Westmoreland Vocational Technical School from four local high schools. These students attend the vo-tech for many reasons, mainly to learn a trade. Some examples of the trades taught are cosmetology, auto mechanics, and carpentry, among many others.

Juniors go to the vo-tech in the morning via bus, and return to Kiski to take three periods of classes. Seniors go to three periods of classes here at Kiski in the morning, and attend the vo-tech in the afternoon.

The students that go to the vo-tech not only learn a trade, but they also get on-the-job training.

The Long And Winding Road That Leads

To Your

Door

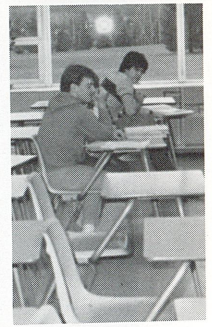

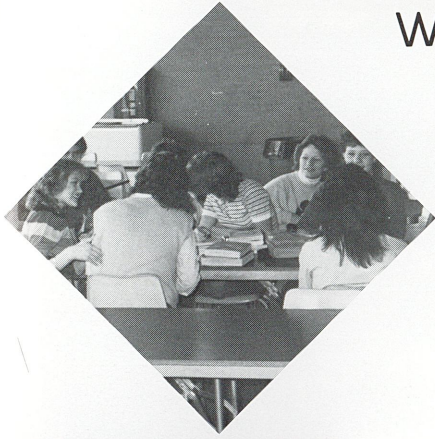

Will Never
Disappear, I've
Seen That Road
Before.

It Always Leads Me Here

Lead Me To Your Door. The Wild And
Windy Night That The Rain Washed

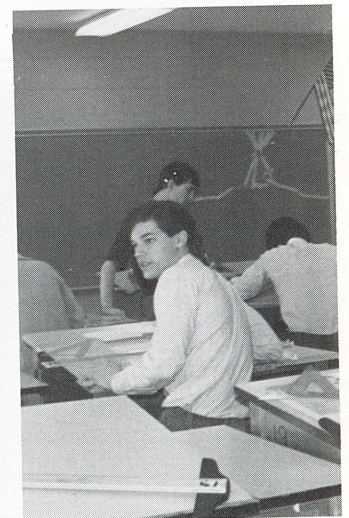

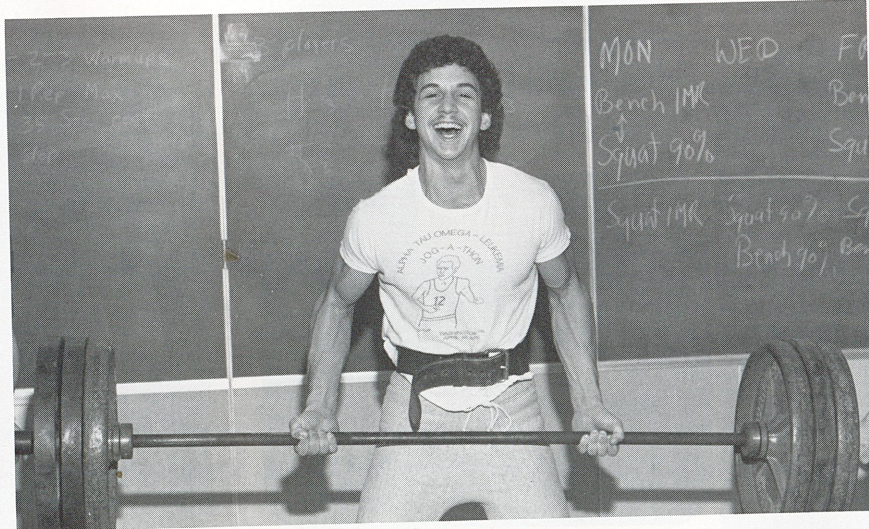

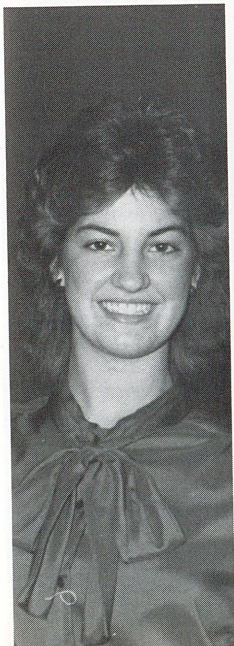

Away

Has Left A Pool Of Tears Crying For The

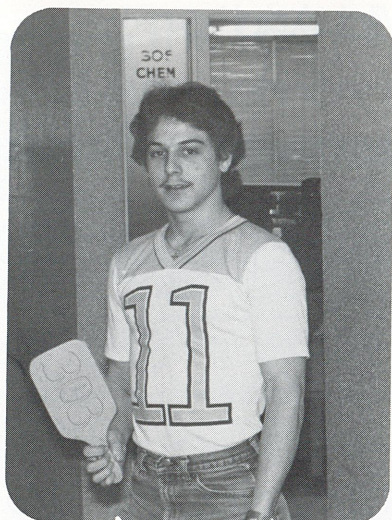

Day.

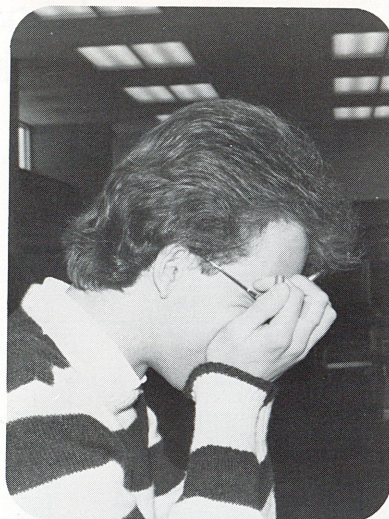

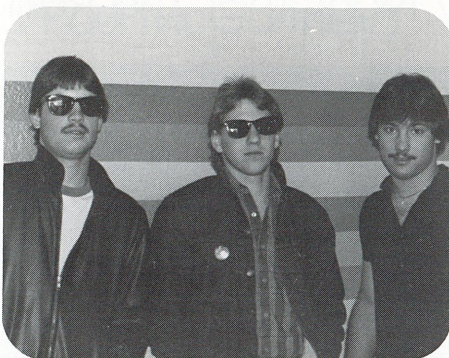

Why Leave Me Standing Here,
Let Me Know The Way

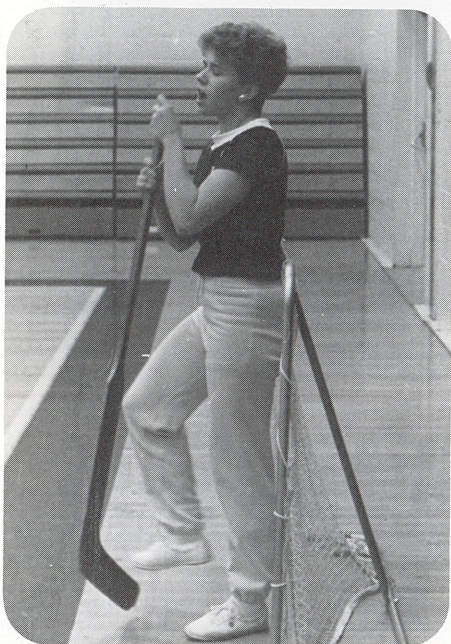

Many Times I've Been Alone And Many Times
I've Cried. Anyway You'll Never Know The

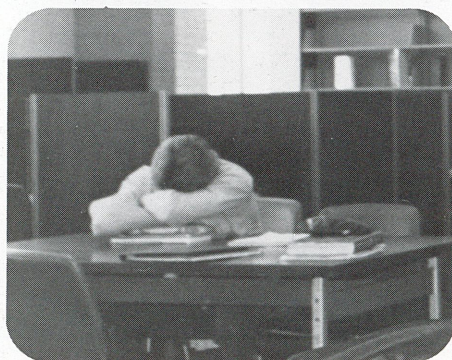

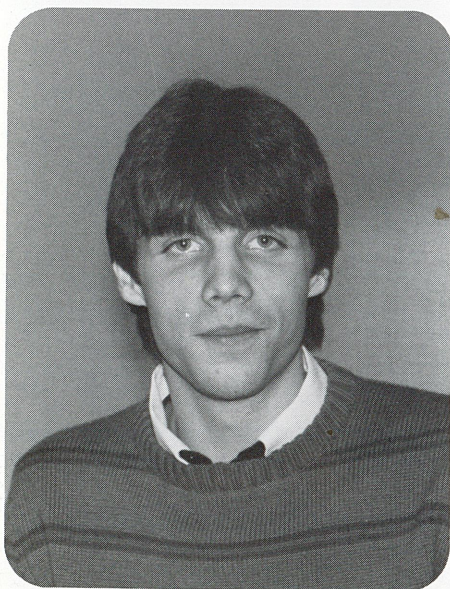

Many Ways I've Tried

And Still They Lead
Me Back To The Long
Winding Road

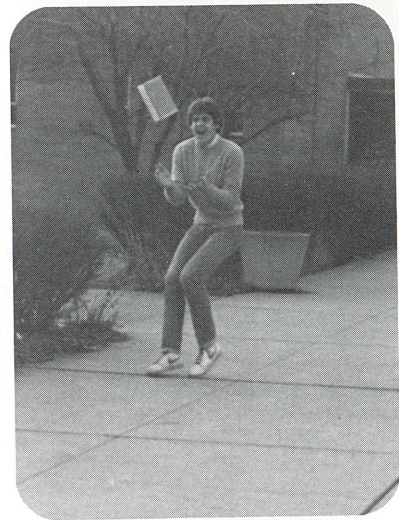

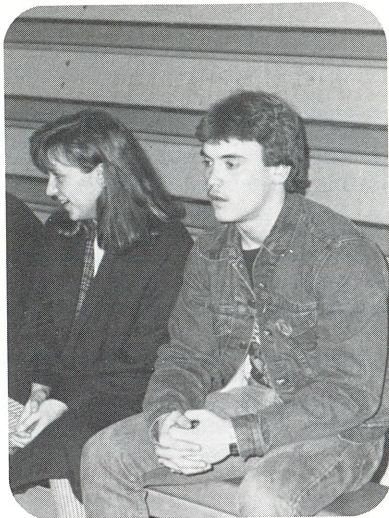

You Left Me Standing
Here A Long, Long
Time Ago

Dont Leave Me
Waiting Here, Lead

Me To Your Door

But Still They Lead
Me Back To The Long.
Winding Road

You Left Me
Standing Here
A Long, Long Time
Ago Don't Keep
Me

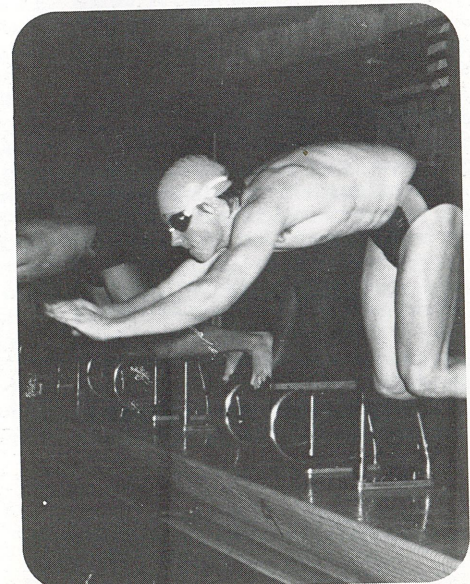

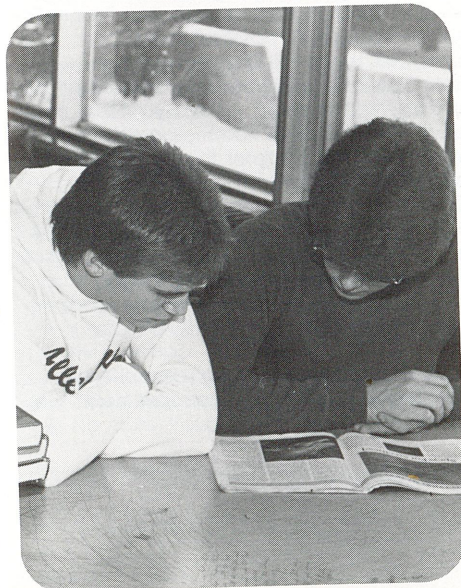

Waiting Here

Don't Keep Me Waiting

Lead Me To Your
Door.
Yeah, Yeah, Yeah,
Yeah
